ORDER:

In this writ petition the petitioner is questioning the proceedings dated 13.9.2005 wherein the Regional Joint Director of Intermediate Education has instructed the petitioner college to hand over the records pertaining to it.

2. The petitioner-college was established in the year 1981 and was admitting the students. But, however, subsequently, the strength of the college has come down due to establishment of other colleges. Therefore, the petitioner-college stopped Intermediate General and is running only vocational courses. Therefore, it requested for transfer of the staff meant for general intermediate and retention of teaching and non-teaching staff for vocational courses. But, the respondents transferred 43 members from the petitioner-college leaving only 2 teaching and 2 non-teaching staff in the petitioner-college. Therefore, the petitioner-college requested for transfer of the required strength. At

that stage, the impugned order came to be passed.

3. At the stage of admission, this court by order dated 23.9.2005 issued directions to the respondents that the order dated 13.9.2005 shall not be given effect to, insofar as the vocational course in Intermediate is concerned. Even according to the petitioner, the petitioner is not running Intermediate-General.

4. In that view of the matter, there cannot be any difficulty to hand over the records viz., T.C. Books, Admission Registers, Marks Memos, Service Registers etc., of the re-deployed staff, who were working in petitioner-college.

5. As the interim order of this court dated 23.9.2005 is confined to vocational course in Intermediate, I dispose of the writ petition directing the petitioner to hand over all the records referred in the impugned proceedings dated 13.9.2005 so far as the Intermediate-General Section is concerned. But, however, the records pertaining to the vocational course in Intermediate are permitted to be retained with the petitioner.

6. Subject to the above direction, the writ petition is disposed of. No costs.
